Commissioners' Report.

TO THE CITIZENS OF SULLIVAN COUNTY:—

We herewith submit a report of the financial condition and business affairs of the County, which are under the supervision of the County Commissioners, together with the reports of the respective County Officers for the year ending Dec. 31, 1894.

FINANCIAL CONDITION OF THE COUNTY.

The balance in the hands of the Treasurer

Jan. 1, 1893, was	\$8,628.26
Jan. 1, 1894, it was	4,077.80

A reduction of \$4,550.46

There was raised by tax in the year 1894, \$24,000, while the amount paid out by the Treasurer was \$29,247.95. The cost of supporting the poor was nearly \$2000 more in 1894 than in 1893, while the total disbursements were \$454.36 less in 1894 than in 1893 after making allowance for the amount (3,150.00) that was paid in 1893 to pay the last county note and interest. The amount paid the State Industrial School was \$263.15 more in 1894 than in 1893, and there will be a further increase of about \$283.00 in 1895 as there are now seven boys at that institution from this county, at an expense of \$1.50 per week each. There has been paid \$133.83 for interest the past year. The amount in the treasury at the April term of court was not sufficient to pay the bills, and as the 1894 tax was not due until Sept. 1, we were obliged to pay interest on the overdrafts until the tax was paid. There will be the same situation at the next April term of court. We have recommended that the sum of \$30,000 be raised for 1895 and \$27,650 for 1896, which we think will be sufficient, unless there should be some unforeseen expense.

COUNTY FARM AND ALMS HOUSE.

This institution has remained in the charge of Mr. and Mrs. Charles Willard as superintendent and matron, who have continued to labor willingly and earnestly for the greatest good of the unfortunate persons

placed under their care. We think the fact that there has been only one death among the inmates for the last fifteen months speaks well for the care they have received from Mr. and Mrs. Willard and their assistants. We would like to have the people of the county visit the farm on any day except Sunday and see for themselves how the inmates are cared for. The wall by the side of the highway has been nearly all built over the past year, at an expense of about \$225.00 for extra labor besides the board of the extra men. The insurance company have increased the rate of insurance on the county farm property one per cent. per year. We have to pay now two and one-half per cent. a year, which is an increase in expense of \$150.00 per year. The two above items have increased the price of board of the inmates about thirteen cents per week.

We think that a new horse barn should be built at the county farm this year, and have provided for it in our estimates.

DEATH.

Name.	Date.	Age.
Darius Chamberlain,	Dec. 7, 1894,	65 years.

Physician's Report.

TO THE COMMISSIONERS OF SULLIVAN COUNTY:—

If it should be required of me to prescribe a plan of living that would ensure a person the greatest number of years of life, I would advise becoming an inmate at the County Farm.

Plenty of good, wholesome food is provided, regular hours for sleep, comfortable rooms, clean beds, plenty of good air and water, and careful, kind attention in case of illness. All these comforts, combined with perfect freedom from all the ordinary worry and anxieties that most people have in this world, are conducive to good health and longevity.

Only one death during the year past, and but little serious illness.

Respectfully submitted,

A. L. MARDEN, M. D., Physician.

Chaplain's Report.

TO THE COMMISSIONERS OF SULLIVAN COUNTY:—

In presenting this annual report, I would say that a preaching service has been held at the Alms House, for the benefit of the inmates, twice per month, but what good may have been done can not be known by us here, but hope some have been helped by the preaching of the word of God. God says by the mouth of the prophet Isaiah: "So shall my word be that goeth out of my mouth: It shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."

I have sought to help them to a better life, but the result is with God.

The Sunday school has been held every Sunday, except a very few Sundays in the autumn while the superintendent of the school was sick. I think it has had its usual prosperity.

There have been three deaths at the House since October, 1893; but one during 1894.

We have married one during the year.

The organ, which was purchased during my predecessor's term of office, is of great help in the meetings.

Very respectfully submitted,

IRAD TAGGART, County Chaplain,

Treasurer's Report.

In compliance with the law, the following statement of the receipts and disbursements of the Treasurer of Sullivan County from Jan. 1, 1894, to Jan. 1, 1895, is respectfully submitted:

Auditors' Report.

The undersigned, Auditors of the County of Sullivan, having attended to their duties as specified by law, respectfully submit that they have carefully examined the accounts of the Commissioners, Treasurer, Superintendent of County Farm and all other County officers, and find the same correctly cast and properly vouched.

We have also examined the various bills and vouchers, and find that the goods purchased were for the use of the County, and that the price paid for goods bought, or received for those sold, was, in our judgment, at their market value.
